

Connie,

I will forever be grateful for you. If there is ever a day where you sit back and wonder if anyone loves Candyland as much as you do, just know WE LOVE IT MORE!!

You have taken my babies, provided them with valuable life lessons and memorable experiences in the safest and most enriching atmosphere possible and turned them into well rounded compassionate, kind, empathetic and helpful young women.

Thank you for countless hours of advice and support. For your boundless energy and dedication to our children. The memories that we have, will stay with us always!

1

We loved hearing all of the fun stories that the girls would share. They truly listened to every word you said.

They love having noodles with their Chili "because Miss Connie had them that way when she was little."

They loved celebrating everything with you. You were there for their most important milestones, and we hope that you will be there for their first job too ... Mackenzie will apply promptly in 6 years and Gia in 8 and if you add those two numbers together you get 14 ... that's all I have till I retire, if I have any life left in me at all, I'm applying too!

Can you tell we will miss you!

I was going to sign my
name at the end of this letter

BUT WAIT...

Mike forgot something...

Okay now I can sign it...

No wait, he's back again,

he forgot something else.

Okay now, for real....

grrr He forgot something

else... Are you sure you're

gonna miss us? 😊😞😞😞

♡ You are forever in our hearts.

Love: The Bertini Family
