

Dear Candy Land,

Candy Land Daycare has been a part of our lives for the last ten years. The teachers there have provided a welcoming learning environment to care for our three children. All three of them enjoyed going to daycare, interacting with the wonderful staff, and taking part in the educational and recreational activities. They were always in a good mood and couldn't wait to tell us what they did when they were picked up at the end of the day. The social skills and knowledge base that was imparted on them during their years helped to prepare them well for their transition into elementary school.

As our youngest moves onto the next chapter of his life, always know that Candy Land holds a special place in our hearts. Thank you again for teaching and taking good care of our children!
